Participants will be guided through the following:

- How to create a safe and fun training environment.

Upon completion of the course, participants will be able to effectively communicate with groups, and organize simple activities in a safe and fun environment. They will also receive the following:

- Membership with Athletics Australia and Athletics Victoria.
- Insurance under the Athletics Australia umbrella policy for their coaching practice.
- A certificate of achievement.

Typically the 'Beginning Coach' will assist senior club, event and junior coaches with club, squad and school level athletes, rather than be directly responsible for their own athletes.
